Important OTR Requirement

The OASIS portal states that ST students applying for Pre-Matric or Post-Matric scholarships must first generate a One-Time Registration (OTR) on the National Scholarship Portal (NSP), and then apply through OASIS.

Application Process

1. Visit the official OASIS portal.
2. Select the appropriate scholarship category and academic session 2026–27.
3. Complete the required registration/OTR process as applicable.
4. Enter personal, academic, category, income and bank details carefully.
5. Upload the documents requested by the portal.
6. Review the application before final submission.
7. Keep the acknowledgement/application details for future reference and tracking.

Documents Students Should Keep Ready

Commonly required documents may include caste certificate, income certificate, Aadhaar details, previous/latest marksheets, bank account details/passbook and other documents required for the particular scholarship component. The exact document list can vary by category and scheme.

Important Student Checks

- Use your own correct mobile number and email where required.
- Make sure the name and date of birth match your official records.
- Check that the bank account is active and eligible for DBT.
- Do not submit incorrect or duplicate information.
- Follow any institute/district verification instructions after submission.

Application & Verification

Applications submitted through OASIS may undergo institution and/or government verification before scholarship payment. The West Bengal Government's scholarship information states that eligible benefits are transferred through Direct Benefit Transfer (DBT).
