Reliance Foundation Undergraduate Scholarships

Half of India's population, or over 600 million Indians, are under the age of 25. Reliance Foundation is committed to strengthening young people's access to higher education in India. Every year the Reliance Foundation Undergraduate Scholarships supports upto 5,000 meritorious students based on a merit-cum-means criteria for their undergraduate college education, empowering them to continue their studies without financial burden. The Scholarships aim to enable students to become successful professionals and realise their dreams, unlocking their potential to lift themselves and their communities up and contribute towards India's future socio-economic development.

Students with a household income of under Rs. 15 lakh who are enrolled in first year (academic year 2026-27) of their undergraduate studies pursuing any subject stream can apply. The programme will also aim to encourage applications by girls and specially-abled students.

Selected scholars will receive a scholarship of up to 2 lakhs over the duration of their degree programme. In addition to the scholarship grant, the Reliance Foundation Undergraduate Scholarships will provide scholars an opportunity to be part of a vibrant alumni network and an enabling support system that will create a long-term impact on their lives and career trajectories.
