About the Scholarship

The Shiksha Sankalp Lakshya Scholarship is a transformative initiative by the Shiksha Sankalp Society to support meritorious students from economically challenged backgrounds who have completed their Class 12 education. This program is designed to help students pursue quality higher education and build strong professional careers.

Scholarship Benefits

Students enrolled in regular full-time undergraduate programs in Science, Technology, Engineering, Mathematics, Medicine, Pharmacy, or Architecture at a Government, State, Central, or Public University in India may also be considered for an annual scholarship based on a case by case evaluation.

A US Based 501(c)(3) Non-Profit
Based on the student's circumstances, and eligibility, up to a maximum of INR 1,00,000 per academic year.

 Students pursuing other regular full-time undergraduate degrees including non STEM and non technical courses at Government, State, Central, or Public University in India may also be considered for an annual scholarship based on a case by case evaluation.

 The scholarship is renewable annually for a maximum of four years, subject to continued eligibility, satisfactory academic performance in the preceding year, and compliance with scholarship terms and conditions. The renewal is contingent upon completing the course within the standard duration of the course.

 Preference will be given to students enrolled in STEM programs, first-year students, female applicants, and those who are the first in their family to pursue a college degree.

Through this initiative, Shiksha Sankalp Society reaffirms its commitment to removing financial barriers and nurturing future leaders and changemakers.
